May 28, 2020

Dear Park District Pool Patrons,

After much consideration, research and conversations with others in the pool industry regarding Coronavirus as it relates to pools, the Park District of Oak Park has decided not to open its pools for the 2020 summer season. In this current environment of many unknowns and our utmost concern for the safety of patrons and staff, we do not see a way that we can confidently operate a safe facility this summer.

We are disappointed that we are unable to bring you the recreation opportunity we had planned and that our residents are used to enjoying each summer. However, ensuring the safety and well-being of our residents and staff must take priority.

The Park District of Oak Park has reached out to our passholders and combo passholders regarding credit/transfer/refund options. If you have any questions regarding these options, please contact Scott Sekulich at scott.sekulich@pdop.org.

Thank you for being a loyal pool user. We appreciate your understanding as this was a difficult decision to make.

Sincerely,

Jan R. Arnold

Jan R. Arnold
Executive Director
Park District of Oak Park
