Scholarship Information

The following information is through mid-February. Due to spring program cancellations, cancellation of Clubhouse from March through the end of the year, and the refunding of all camp registrations, current numbers are not available. Once District programming is reinstated, we will have a clearer picture of our scholarship program status.

A total of 98 Childcare Discount Memberships have been approved thus far including 13 children from Clubhouse and 242 from camps and school's out programs. (Approved Tier 1, 55%; Tier 2, 40%; and Tier 3, 25%). The total amount qualifying residents have saved as of February 10th due to the Childcare Discount Membership is \$38,022. Approximately \$8,000 in scholarship funds have been used since the beginning of the year for winter programs and summer camps.
