The State of Illinois has issued a Stay in Place Order. We will continue to operate the dog park under the following conditions:

• There shall be no more than 10 dog owners in the dog park at a time
• If you see more than 10 users, postpone your visit
• To follow social distancing guidelines, please keep a minimum distance of 6 feet between visitors.

If these guidelines are not followed, we may be forced to close the dog park.

We encourage you to follow all CDC guidelines for social distancing and hygiene.
