2019 ICE SHOW

A note from your Ice Show Directors:

It's amazing that a sport created in the 13th century is still being practiced today. *Ice Show 2019: Skate Your Heart Out* is the result of the efforts of many people and departments—tonight would not have been possible without all of their contributions. To all those who have assisted and supported us through the process, we want to say:

Thank You!

BEHIND THE SCENES

To our Skating Stars and their Families:

This has been another great year for the Skate Academy as well as the Oak Park community as a whole. This is our fifth year of year-round operations in the renovated Ridgeland Common Recreation Complex. Inspired by our performers and instructors' love and passion for this sport we present the **51st Annual Ice Show: *Skate Your Heart Out***.

Our Skate Academy serves over 1000 participants every year including the super stars you will see tonight. The Ice Show acts as a showcase for all of the hard work, commitment, and determination that takes place throughout the year. This performance demonstrates the dedication of all the skaters and staff that have worked tirelessly to ensure the great show you will see tonight. A big thank you must be extended to the parents, siblings, coaches, and caregivers who selflessly give their time to bring skaters to class, practice times, and of course, all the rehearsals required to make this show a success. It involves a high level of commitment on the part of the skaters and their families. For many, it means getting up early and going to bed late, trying to juggle school, homework, and other activities. To the instructors, skaters, and their families: thank you for your efforts in making this show a success.

If you have skaters new to our program and wonder about the benefits of recreational and competitive skating, look no further than our feature skaters, like graduating senior Charlotte Shea, who demonstrate grace, athleticism, and poise on and off the ice.

Finally a big thanks to the Volunteers and the Skate Academy, Rink Maintenance, Marketing and Rink Operations staff. This event is truly the culmination of many different people and departments coming together and working long hours to deliver the best quality product that our skaters and their families know and expect.

Thank you for attending the **51st Annual Ice Show: *Skate Your Heart Out*** and being part of a cherished tradition at the Park District of Oak Park.
