- Parties will start with a brief presentation on safety in the gym area.
- A party leader (gymnastics coach) will lead all the children into the gym area where they will have 1 or 1 ½ hours of planned activities which includes the inflatable obstacle course (pictured below), foam pit, a gymnastics circuit, highlighting the birthday kid!
- The upstairs balcony provides a great view for adults who want to watch the fun.
- Once done in the gym area, all participants will be escorted to the party room for a half hour where they can enjoy food, cake, and presents.
- Party leaders will help with serving food and help clean up the room after a half hour, including carrying the party supplies and presents to your car and trash removal.
