November 2019

Dear 2019-2020 Clubhouse Parents/Guardians,

I wanted to take this opportunity to provide you with clubhouse registration information for the 2020-2021 school year. As a courtesy to our current clubhouse families, we will once again be offering priority registration this year. Priority registration will open to all current clubhouse families on **Monday, January 20th at 8:30 AM**. We will be accepting registration on a first come, first served basis. Priority Registration will close on **Friday, February 7th at 5:00 PM**. If you are interested in returning to the Clubhouse program next year, I would highly recommend taking advantage of this opportunity as spots do seem to fill up very quickly.

During the priority registration period you will be able to claim and hold your spot by making the \$50 non-refundable registration payment. On May 15, 2020 you will be billed for the first month's payment of \$336 for September attendance. If payment is not received by May 22, 2020 there is potential to lose your spot.

Online registration will be set up with a pre-requisite built in only allowing current clubhouse participants to register. If you have another child in your household who was not a clubhouse participant in 2019-2020 (for example: a younger sibling entering Kindergarten in 2019-2020) you may register them during the priority registration period.

Registration will re-open to all Oak Park residents on **Saturday, February 8th at 8:30 AM**. At this point we will require the \$50 registration fee as well as the first month's payment for all registrations.

Below are the center locations for each school. We will be offering eight Clubhouse locations. Please note that most locations are expected to fill up quickly and Barrie, Longfellow, and Field Center traditionally fill up the fastest.

Carroll Center (Lincoln Students)
Barrie Center (Irving Students)
Longfellow Center (Longfellow Students)
Dole Center (Whittier Students)
Fox Center (Lincoln Students) – Bussing Provided
Fox Center (Longfellow Students)
Andersen Center (Beye Students) – Bussing Provided
Andersen Center (Hatch Students)
Austin Gardens Environmental Education Center (Holmes Students)
Field Center (Mann Students)

Please let me know if you have any questions.

Best Regards,

Joe Lilly
Program Supervisor
(708) 725-2102
